PERSONALIZED ORTHODONTIC CARE

March 17, 2020

Dear Patients and Families,

Wilke Orthodontics will be complying with the most recent American Dental Association request that all dental offices postpone all elective (or non-emergency) procedures for 3 weeks, starting March 17<sup>th</sup> through April 5<sup>th</sup>, 2020. **We will still continue to have a limited schedule available to cover true emergencies that cannot be remedied at your homes. Please call our office to schedule at (920) 347-4565 if your emergency presents with unresolvable discomfort or unhealthiness.**

Thank you for your patience and understanding during these unprecedented times. The American Dental Association has your best interests in mind.

Together we can all help limit the spread of this virus.

Thanks for your understanding,

Kevin J. Wilke, DDS
